Follow the 5 easy steps in the **Progressive Bank Business Switch Kit** and put some light into your banking!

**PROGRESSIVE
BANK**

Helping people achieve their dreams...

Switching has never been easier!

Step 1: Open a Progressive Bank Business Checking account! See a Customer Service Representative at one of our 7 convenient locations. They will help determine what account(s) fits you best.

To make the process even faster, bring the following when you come to open your Progressive Bank Business Checking account:

1. Business Profile Sheet (provided in this Switch Kit)
2. Articles of Incorporation or Articles of Organization (if applicable)
3. Operating agreement for LLC entities (if applicable)
4. **Copy of Driver's license for each signer on the account**

In order to determine the best account type for your business, it would be helpful for you to bring your *account analysis statement* and/or *previous months' bank statements*.

Step 2: Stop using your previous checking account. Allow time for outstanding checks to clear. Destroy your ATM and/or Debit cards, any unused checks, and deposit slips.

Step 3: Transfer any Automatic Payments and Debits to Progressive Bank.

Use the **Automatic Payment Request** to assist you in quickly making the switch. Some Automatic Payments may include Merchant services transactions, monthly bill payments, and monthly loan payments.

Step 4: Change your account for your payroll processing. If you currently use an outside source to process your payroll, use the **Payroll Processing Request** to notify the company to begin processing your payroll from your new Progressive Bank account.

Step 5: Close your previous checking account. Use the **Account Closing Request** to close your previous checking account.
